North Shore Democrats president Mike Arvanites tells us that the group tonight will formally announce that it is backing Ken Mitchell in the race for the vacant North Shore City Council seat.

Not exactly a stunner: Rep. Mike McMahon (D-Staten Island/Brooklyn), Mitchell's old boss and the former occupant of the North Shore seat, is first vice president of the club. And Mitchell is a member.

And Arvanites used to work with Mitchell in McMahon's office. The initial endorsement was decided upon at a meeting in December.

The North Shore Dems have also launched a Web site, and has begun providing "24/7" phone and fax service:

Phone: (225) 208-3316 Fax: (801) 806-6601

You know, for all those 3 a.m., North Shore political emergencies.
